

## **Corona-rules – GOOD TIMES with distance!**

- Please do not come to the Fundorena if you have cold symptoms!
  - All visitors must wear mouth and nose protection in the Fundorena. Visitors can take off the nose and throat protection on the attractions, but this must always be available at all times.
  - Please make sure to keep a safety distance of 1.5 to 2 meters to other people at all times during your stay in the Fundorena!
  - If you have to cough or sneeze, please do it in the crook of your arm or a handkerchief, not in your hand.
  - Unfortunately, our changing rooms must remain closed for the time being in accordance with the requirements. Please come to us in sports clothing.
  - Accompanying persons and spectators are unfortunately currently not allowed. Children under 12 are allowed to bring an adult companion.
  - We prefer contactless payment.
  - Each attraction has only a certain capacity and is controlled by our bookings.
  - Tickets can only be booked online to better control the number of participants.
  - Follow the instructions on how to wash your hands correctly and explain them to your children.
  - We ask you to clean your hands thoroughly at regular intervals. We have provided several disinfection stations in the park for you.
  - Please note that the changing rooms and showers are currently not available for hygienic reasons.
  - Please do not stay in the hall longer than necessary after your jumping time to enable others to visit.
- ➔ So everyone can feel safe and really enjoy their stay in the Fundorena!
